

CLEVER LEAVES' STATEMENT

At Clever Leaves, the health and well-being of our employees and communities remains our top priority as we continue to monitor the COVID-19 (coronavirus) outbreak. Leveraging the guidance of the CDC and state and local authorities in each of the geographies in which we operate, we have implemented several policies to ensure the health and safety of our employees.

In addition to proactively sharing resources and information with our employees, we have implemented telecommuting policies at each of our locations, increased sanitation efforts at our offices, and offered company provided transportation services for our employees during this crisis.

With health and safety at the forefront, we will continue to execute our business continuity plans and work towards our goal to deliver medical cannabis to patients around the world and contribute to a healthier global community.
